L I F E T I M E E X P E R I E N C E S

Baja Barefoot was born out of our love for the magical nature, pristine wilderness, diverse ecosystems, deserted beaches, fiery sunsets, sparkling nights, unbelievable landscapes and a lovely community of local people that will open the doors of their home Baja California Sur for you to have phenomenal experiences!

STOP AND BREATH.

The magic of the land, the historical value of the place, the wonder of nature; the unique charm of the local community is warm and welcoming.

NATURE AND CULTURE EMBRACE YOU.

At Baja Barefoot, we connect travelers with the wild side of Baja California Sur through authentic adventures rooted in local culture, community, and conservation.

Our Ocean Safari Camp take you deep into the Sea of Cortez, exploring remote islands and discovering its incredible marine life alongside local guides and captains.

No frills. No rush. Just Baja, the ocean, and the freedom to explore.

*Life today is
fast-paced with so
many things to do in
very little time.*

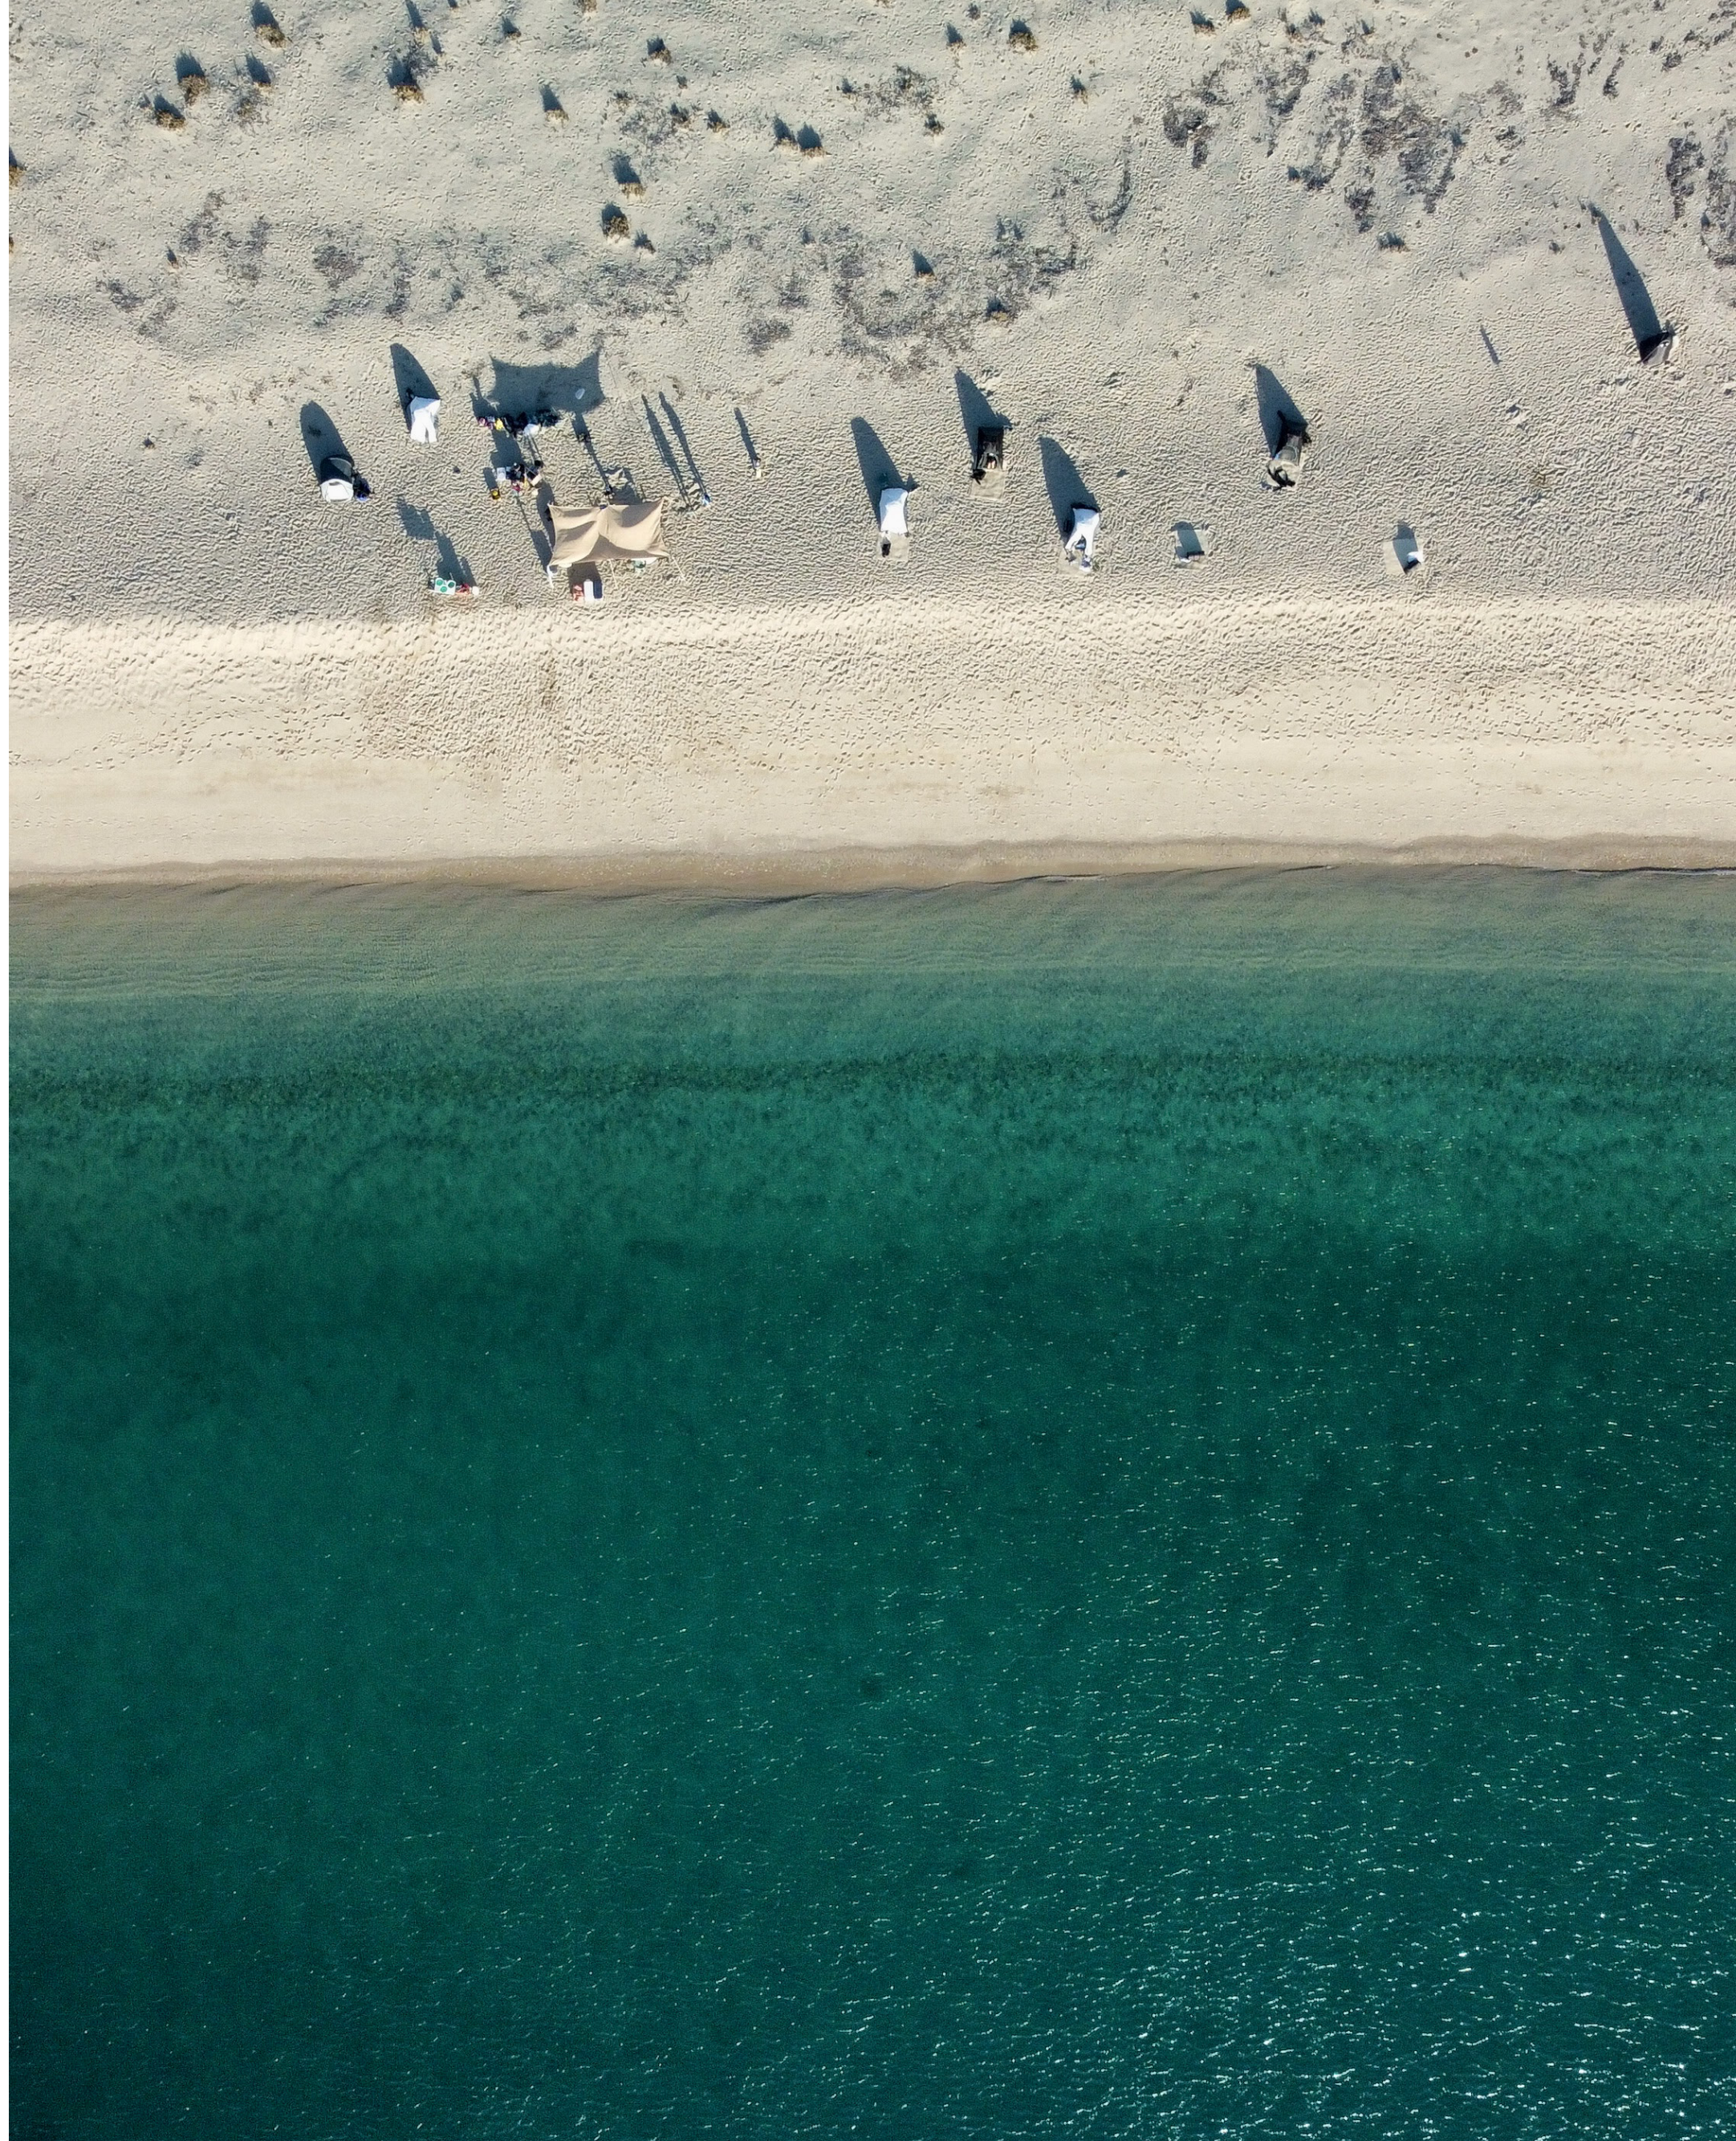

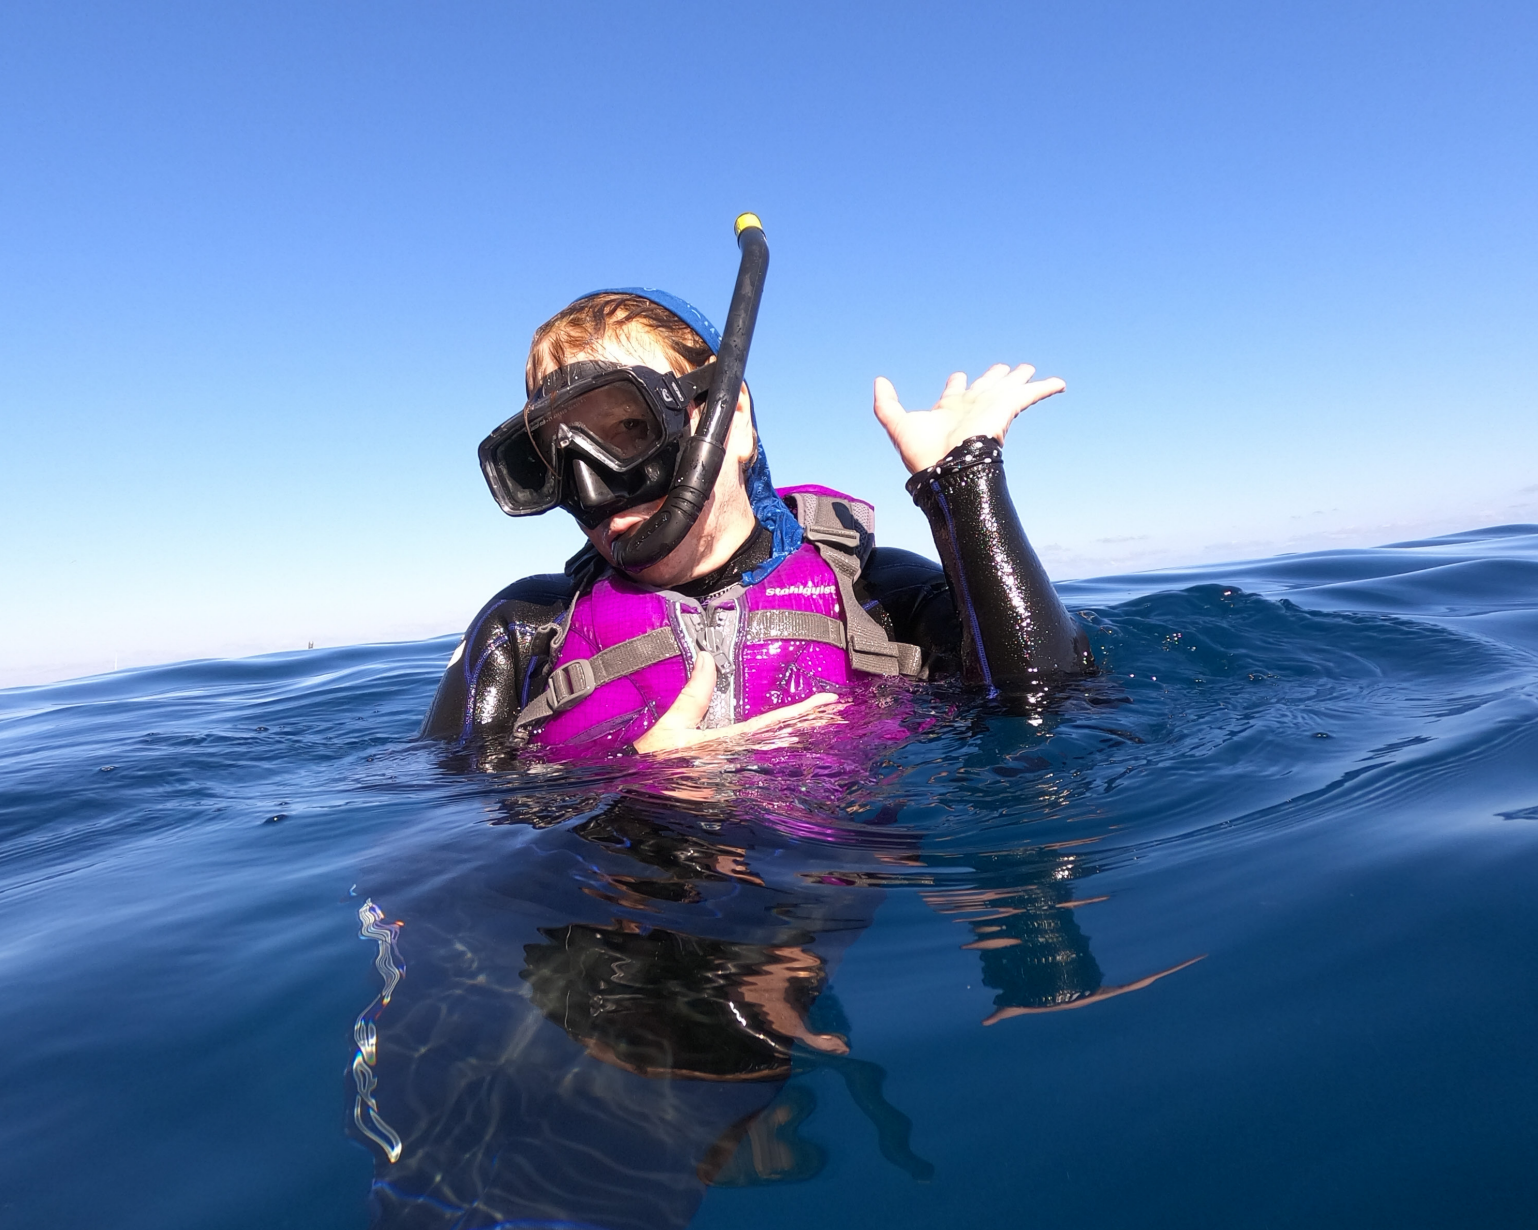

*But here you can
finally slow down
and unplugged.*

A WINDOW ON THE TRUE ESSENCE OF BAJA

*Every experience is
designed to give you
time to slow down,
explore, and let the Sea
of Cortez set the pace.*

*Open your mind,
sharpen your senses,
and stay curious. Out
here, every day brings
something new—an
unexpected encounter,
a wild landscape, or a
moment you couldn't
have planned.*

*The incredible
natural beauty of
Baja California Sur,
with all its magical
nuances, is just a
stone's throw away.*
